

High School Activity Report November, 2009

FALL FEST:

The annual Fall Fest Dinner took place on October 28th, and again the evening was a great success! The Culinary Arts students, under the direction of Mr. Curt Oakes and Mrs. Janet Grossman, served over 335 dinner guests during their two seatings.

In addition to the dinners that were served, the Culinary Arts students also conducted a Bake Sale which has become an event in itself. The cookies, pies, and pumpkin rolls are a big hit; so much that many orders are placed in advance.

RECRUITMENT/VISITATIONS:

The ninth grade students from the Sending School Districts had the opportunity to investigate three labs of their choice during the recruitment/visitations held during November 2nd through the 16th. During the 14 day period, ECTS hosted approximately 2,000 ninth grade students. Thank you to Lisa Sorensen, Pam Lasher, Patty Heubel; Linda Harpst, and Joe Salorino for all of their efforts to organize the visits. A special “thanks” to the instructors who did an outstanding job displaying the uniqueness and importance of their labs.

STUDENT OPEN HOUSE:

On Thursday, November 19th, ECTS will host an Open House for the in-coming prospective students for the 2010-2011 school year. The open house will begin at 4:30 PM and conclude at 6:30 PM.

The evening will allow the prospective students and their parents the opportunity to address any questions and view the labs before making a decision of lab choice.

FIRST QUARTER HONORS:

The first quarter of the school year ended on November 5th. I would like to thank Jeff Smith, Linda Harpst, and Pam Lasher for all their extra effort in organizing the process for the grade distribution. ECTS was able to mail out our report cards two working days after the close of the quarter.

ECTS recognizes three groups of outstanding students each quarter. Students are recognized as Honor Students, Perfect Attendance Students, and Distinguished Students.

Honor Students: 12% of our student body earned the HONOR STUDENT status.

Perfect Attendance: 21% of the ECTS population achieved PERFECT ATTENDANCE in the first quarter.

Distinguished Students: 5% of our students received the DISTINGUISHED STUDENT recognition.

Each student will receive a certificate to be recognized for their accomplishments.
