

High School Activity Report

October, 2009

ERIE COUNTY PRINCIPALS' MEETING:

ECTS hosted an Erie County Principals' meeting on September 22, 2009. This meeting was the first of three gatherings of the Principals. The sessions allow the group the opportunity to share topics of concern in our schools.

At the September 22nd meeting, the topics of conversation ranged from the ECTS enrollment of labs, cell phone usage, tutorial periods, clothing issues, and Keystone Exams.

GUIDANCE COUNSELORS' MEETING:

The Home School Guidance Counselors had their initial meeting of the 2009-10 school year at ECTS on Friday, October 2, 2009. The meeting was hosted by our Patty Palo and Lisa Sorensen. Patty and Lisa are proud to announce that there was 100% representation from our consortium.

OAC LUNCHEON:

On October 12, 2009 the Occupational Advisory Committee membership gathered at ECTS for a Fall luncheon and meeting with their respective instructors. There were 126 members in attendance and 64 companies represented.

Elaine Shaffer did an outstanding job organizing the entire day. Elaine's planning truly makes ECTS shine to its membership. (Please See Attached List of OAC Participants)

ADVANCED TRAINING DAY:

The Erie County Technical School hosted its annual Advanced Training Day on October 22, 2009. The students had the opportunity to investigate the offerings from 32 post-secondary options. These post-secondary offerings ranged from college programs to the military career.
