To Whom It May Concern:

I would like to take this opportunity to thank Regional Career and Technical Center for the wonderful opportunity you have afforded me as a medical instructor at your facility over the past few years. My time here has given me the chance not only to grow as a person, but I truly think become a better instructor.

I would also like to thank Mary Ellen Camp and Tiffany Neely for their tremendous support over the years. They should be commended for the wonderful service that they provide for Regional Career, not only to the students but to the instructors as well. I cannot thank them enough for all they have done for me.

In closing, I wish Regional Career and Technical Center continued success over the coming years. You provide a great service to the Erie Community.

Sincerely,

Lisa Rice
