

RCTC Report December 2010

RCTC

Registration for Term III begins on January 3rd. This term begins the week of January 24.

Two of our welding students from this past summer's "Second Chance" training were recently hired by DonJon Shipbuilding.

Mary Ellen met with two Labor Union representatives to discuss available apprenticeship programs, job prospects, qualifications, and working with women in the trades. It was a productive meeting and helped give direction for the WANTO grant.

New Choices Career Development

Two more New Choices (and RCTC) graduates have been hired into full-time jobs with full benefits.
