

RCTC Report June 2011

RCTC

Term V will conclude at the end of June. We start registration in mid-August for the next school year.

Our web page has been updated for the 2011-12 school year. We are also in the process of creating updated business mailers and scheduling other advertising for our classes.

Natalie Fatica and Mary Ellen Camp are conducting interviews for additional RCTC instructors.

We will participate in the Erie area Career Fair scheduled for August 31 at the Bayfront Convention Center.

WANTO (Women in Apprenticeship and Non-Traditional Occupations)

Four of our participants are continuing to do very well with their welding training and will complete the class at the end of June.

We anticipate beginning another Pre-Apprentice training class in September.

New Choices

We are conducting follow-ups and compiling data on job and training placements of our graduates to prepare the year-end reports for the Department of Labor & Industry.

Meetings, Travel
