

RCTC Report October 2010

RCTC

Our first term of classes has just completed. Term II will begin the week of November 1. Registration ends on October 25 for the 24 classes being offered.

New Choices Career Development

The First Quarter report was submitted to Labor and Industry. Nineteen “first year” students have completed the program since July. Eight “second year” students have been seen for additional support services. Twelve individuals are currently attending training programs through RCTC. Two are employed as of the end of September.

The next New Choices class will be held in January.
