

PROPOSED AGENDA ITEM

---

MEETING DATE: September 23, 2010

SUBJECT: Donation for MTF Program

SUBMITTED BY: Joe Tarasovitch

---

DESCRIPTION:

Eriez Magnetics would like to donate “scrap” metal to the Erie County Technical School to be used in the Metal Fabrication Lab. Mr. Cyphert has expressed that this scrap metal could be utilized for lab demonstrations and projects, and that it would allow our students the hands-on opportunities that are desired in the lab experience.

RECOMMENDATION:

Motion to accept current and future donations of scrap metal from Eriez Magnetics to be used in the MTF lab
