13th Annual Golf Tournament

HERSHEY
COUNTRY CLUB 

East Course

Please join us for the 13th Annual Hospitality Foundation Golf Tournament to promote the lodging industry as a career choice.

Proceeds from the Tournament benefit the Pennsylvania Hospitality Foundation (PHF), an affiliate of the PA Tourism and Lodging Association. The mission of the Foundation is to support the Lodging Management Program (LMP), a national educational program for high school juniors and seniors. LMP prepares students for employment in the hotel industry or for the pursuit of industry-related post-secondary education. **Your participation will help raise funds to support the management of LMP.** Funds are used to provide technical support to participating high schools and to recruit additional schools to offer the program.

The Foundation also supports a State LMP Competition and a National LMP Competition where students compete against each other in a variety of activities designed to test their skill-level and professionalism in the hospitality management field. In March, students from the Columbia-Montour Area Vocational-Technical School placed first in the State Competition and won the right to represent PA in the National Competition held April 7-9 in Orlando, FL. Second place in the State LMP Competition went to the team from Monroe Career & Technical Institute; Third place went to the team from Erie County Technical School.

Second place in the overall competition went to the team from Monroe Career & Technical institute: (L-R) Austin Miller, Namansa Marah, Instructor Patty LeCompte LeAnn Frazier, and Nicholas Upton.

The third place team from Erie County Technical School consisted of (L-R) Shayla Riefstahl, Natasha Forbush, Instructor Robert Craft, Steffany Jackson, and Kaylie Mallette.
