Dear Sir or Madam,

Congratulations! The American Culinary Federation Education Foundation (ACFEF) Secondary Certification Committee met recently and approved your request for Renewal certification. The Secondary Certification Committee has given a **Grant of Certification** beginning **12/31/2011**, not to exceed beyond **12/31/2016**, for the following program:

Culinary Arts

Your certificate is included in this correspondence. We hope you will display it with pride.

As part of the continual monitoring of your program by the Secondary Certification Committee, you will have an **Annual Report due to the ACF national office by 11/1/2012**. An electronic template will be sent to you with additional information at least three months prior to your Annual Report due date.

It is important that the public understands that the certification is programmatic. Please ensure that the wording specifies that your program is "certified by the Secondary Committee of the American Culinary Federation Education Foundation Accrediting Commission" or "certified by the American Culinary Federation Education Foundation Accrediting Commission's Secondary Certification Committee." If you announce your programmatic certification through a print media outlet, please send a copy to the accreditation department to keep in your file.

Should you have any questions, please do not hesitate to contact the accreditation department, at 800-624-9458.

Best wishes for continued success during your upcoming academic year.

Congratulations,

Rob Hudson, CEC, CCE
