Event Description: Annual Cedar Point trip – “Cedar Point 101”

Date(s) of Activity: May 2012

Goal of Activity: Learn what it takes to run the business of FUN at the World's Best Amusement Park! Bring your group of 15 or more students to hear about how we do business in Accounting, Finance, Hotels, Foods, Retail, Human Resources, Marketing and Park Operations. Our focus will be on planning & improvements.

Faculty Advisors:

Mrs. Mariea Sargent, Mrs. Elaine Shaffer or another faculty member.

Educational Rationale:

Understanding how Drafting & Design applies to planning and annual improvements to a large corporation.

Number of students participating: approximately 35-45 students

Requirement of Students: Fundraise as much of the \$67 cost that they can. At the park the students are to participate in all scheduled activities, follow school rules at all times and complete a writing activity upon return to the school.

Cost to ECTS: We would like to request \$300 toward the \$800-\$850 cost of a school bus. I understand that the budget is tight to help with any fieldtrips, but any amount would be of assistance. (Attach an itemized description if necessary.)
