Request for permission to participate in Community Service event.

Submitted by: Donna Erdman, Early Childhood Education Instructor

Early Childhood Education and Tech Tikes Preschool request permission from Erie County Technical School JOC to sponsor a team (Team Tech Tikes) for the April 29, 2012 "Walk for Babies".

Students will be collecting donations for walking to support the March of Dimes and will be responsible to turning in their own collected contributions either on-line at the March of Dimes or the day of the walk.

T-shirts will be designed and ordered for those who wish to purchase them. The shirts will be sold at cost plus \$0.50 with the proceeds to benefit the March of Dimes. T-shirt sale will begin early March.

For two weeks before the walk, collection boxes will be placed in the classrooms and students will be encouraged to donate. Students from Early Childhood will be collecting the boxes.

On the day of the walk, participants will gather at Presque Isle State Park to walk with the other teams who are supporting the event.
