DESCRIPTION: I would like to recommend that the Erie County Technical School accept the donation from Community College of Allegheny County. The donated items are a 2006 Jeep Commander and 4 engines of later models that will support the Auto Technology program with updated material. Mr. Dave Michalak and Mr. Sam Steever will utilize these donations to expose our students to the hands-on activities that drive student interest in the AUT program.

2006 Jeep Commander and 4 late model engines of various vehicles.

RECOMMENDATION:

Motion to accept a donation from Community College of Allegheny County of a 2006 Jeep Commander and 4 engines of later models that will support the Auto Technology program
