Dear Erie County Vo-Tech Administration:

The Thermal-G RC Club wishes to express its most sincere gratitude to the Erie County Vo-Tech School for their most generous contribution of providing a venue to the 2011 Thermal-G RC Air Show held at the Erie County Vo-Tech School on Saturday, August 13th in Erie, Pennsylvania.

Providing a place to conduct our air show and support as needed was a tremendous help in getting word out to the community to have a glimpse at the world of remote control aviation and to raise funds for this years Thermal-G RC charity, the Erie chapter of Make-A-Wish.

The outlook is bright for future Thermal-G RC Club Air Shows largely due to the efforts of you, Erie County Vo-Tech School. The executive board and general membership of the Thermal G-RC Club want to acknowledge your contribution to this rosy outlook and warmly welcome Erie County Vo-Tech School to partner in future Thermal G-RC Air Shows.

Sincerely,

Murray Steinberg
President, 2011
