

PROPOSED AGENDA ITEM

---

MEETING DATE: Tuesday, November 22, 2011

SUBJECT: Donation of Computer

SUBMITTED BY: Jeffrey D. Smith, Technology Manager

---

DESCRIPTION:

At the request of Maureen Harrison of 8724 Robin Drive Erie, PA 16509, I would like to recommend the Erie County Technical School accept her donation of an e-Machines T3646 Desktop Tower computer with Keyboard and Mouse, SN: XC683 700 61863.

I have observed that the computer specifications meet our current minimum requirements for student computers, and furthermore believe the system to be valuable to use even if in other capacities. I have not powered it on or tested it for its functional operation, although Mrs. Harrison assured me it still worked fine.

RECOMMENDATION:

Motion to accept the donation of an e-Machines T3646 Desktop Computer from Maureen Harrison of 8724 Robin Drive Erie, PA 16509
