

PROPOSED AGENDA ITEM

MEETING DATE: November 22, 2011

SUBJECT: Donation of steel

SUBMITTED BY: Joe Tarasovitch

DESCRIPTION:

I would like to recommend that the Erie County Technical School accept the donation from Zeyon Inc. The donated items are a variety steel pipes and plates that will be utilized in the Metal Fabrication Technology lab. Mr. Mark Cyphert will utilize these pipes and plates to expose our students to the hands-on activities that drive student interest in the MTF program.

The various sizes are: 74" sch40 4" ID steel pipe

15 ½" 1/8" wall 4" OD steel pipe

10" 3/16" wall 3" ID steel pipe

8" 3/16" wall 3" OD steel pipe

38" 3/16" wall 1 ½" OD steel pipe

11" 3/16" wall 2" ID steel pipe

5" 6"x 12" I-beam

6 pieces of 3/8" steel plates—Misc sizes

13 pieces of ¼" steel plates—Misc sizes

RECOMMENDATION:

Motion to accept a donation from Zeyon, Inc of steel pipes and plates that will be utilized in the Metal Fabrication Technology lab
