Dear Dr. Jackson,

Thank you for making the arrangements for the Board of Education to conduct their October 17th regular Board meeting at the Erie County Technical School. Mr. Tarasovitch was very welcoming and provided us with an update on the reading and math initiatives being implemented at the Vo-Tech School and discussed enrollment figures for our Seneca students.

Your culinary arts students should be commended for preparing such a delicious dinner for our group. Please let the students know that their dinner received rave reviews.

I truly appreciate the effort that your staff made to prepare for our meeting. We look forward to maintaining a positive working relationship with you in the future and hope to have Mr. Tarasovich visit us in Wattsburg to further showcase the successful work of the Erie County Technical School.

Sincerely,

Nancy J. Sadaly,
Superintendent
