JOC Members – Erie County Technical School:

Per School Board Policies 230 and 910 I am requesting student volunteers for an Erie County Special Olympics event. This event will have our ECTS students involved in the Special Olympics sport of bowling. The event will occur on Saturday December 9th 2011 at Rolling Meadows Lanes which is located at 3304 Zuck Road in Erie.

Students volunteering will be keeping score, help by being a “buddy” to a Special Olympian, or by acting as a cheerleader to the Special Olympians.

By our students participating in this event, I feel it will give our students an excellent opportunity to give something back to our community.

Should you approve this event I will be posting flyers around the school in the near future to recruit students.

Sincerely,

Roach C. Hewitt
