

Joint Operating Committee September 2011 Meeting School District Report

1. September Enrollments

Enrollments for the start of the 2011-2012 academic year are up from the previous year by 38 students. As of September 22, there were 779 students enrolled, compared to 741 last September. Eight of the 18 programs have greater than 40 students enrolled. Another five programs have greater than 30 students enrolled. With these enrollment figures, the technical school is operating at 77.3% of its capacity.

2. Occupational Advisory Committees Approved

As required by School Code Ch. 339, the joint operating committee approved 317 business and industry representatives to serve on the advisory committees for each of our 19 programs. The advisory committees meet with faculty twice each year to review and provide advice on various topics. Our first occupational advisory committee meeting is scheduled for October 10, 2011. After a school-sponsored lunch, each program's committee will meet to discuss various items including equipment, laboratory size, program evaluation and safety. The committees will meet again in March 2012.

3. Welcome Back

As part of welcome back activities, afternoon students 'Filled the E'.
