NOCTI Testing: The Erie County Technical School seniors have been engaged in the NOCTI testing process for the entire month of April. The students complete an “On-Line” test and a “Practical” test that assesses their acquisition of the national standards.

Again, Jan Kennerknecht did an outstanding job organizing the NOCTI process. KUDOS to the instructional aides, Jeff Smith, and the support staff for all their efforts to ensure that this testing procedure was completed with the protocol required.

Channellock Presentation: On April 15th, Channellock Inc. Sales Representative, Nicole Lindsey, made a presentation to the following programs: AUR, AUT, CNT, EET, ELC, FMT, MTF, and PMT. Ms. Lindsey’s presentation provided the opportunity for our students and programs to utilize a discounted pricing manual for tools utilized in the various labs and in the industry.

April ECTS Pride Students: Please find attached the monthly recognition of the PRIDE student of the month from each lab.

SkillsUSA State Competition: During the week of April 1st, Sandy Carr, Elaine Shaffer and Dave Yanosko accompanied 17 of our students to the “STATE” SkillsUSA competition held in Hershey, Pennsylvania. The following students were our representatives, and ECTS is proud of each for competing.
