To The Joint Operating Committee of the Erie County Technical School,

Due to my wife's illness I am asking for approval of 20 of my sick days to be used as needed for Family Medical.

This would help defer many of the expenses and scheduling problems that will arise in the future.

Please note that Nancy also was an employee of ECTS for 9 years.

If more information is needed please feel free to contact me @ 814-881-6593

Thank You for your consideration.

Dave,

I put the FMLA paperwork in your box. If you need assistance with it or have questions let me know. In addition, if you are planning on presenting something to the board Thursday I will need to get it to Aldo today. If you need anything further let me know.
