Dear Lisa,

As a high school student, you have numerous choices to make – elective classes to take, clubs/organizations to join, athletic programs to participate in and even who you hang out with. Another important choice you have is to attend the Erie County Technical School beginning in your sophomore year.

At ECTS you can choose from 18 exciting programs that will give you a head-start on college or prepare you for a rewarding career. The enclosed brochure will help you find a program that fits your skills and interests.

At the Erie County Technical School, we want you to:

Do more! Explore, experience and excel in high school while preparing for immediate employment and further education.

Work with the best! Experience nationally recognized curriculum taught by industry experts.

Be ready to excel! Develop the expertise, confidence and work ethic for tomorrow's top careers or professions.

Get connected! Meet students who have similar goals, interests and talents in a friendly environment.

You and your fellow classmates will soon have the opportunity to visit ECTS and learn about our programs, activities, instructors and much more.

Save the date!
