Dear Sir or Madam:

This letter is written in support of the application from the Erie County Vocational-Technical School Foundation (ECVTSF) to be named as an “Educational Improvement Organization” under the Education Improvement Tax Credit Program (HB996).

The (**insert name of school district**) agrees to participate in ECVTSF programs, in particular Career Street, in schools in our district during the 2014-2015 school year. We confirm that the Career Street program and services will enhance the curricula in our public schools. Teachers, administrators, parents, and students are looking forward to the partnership with the ECVTS Foundation and its work with Career Street.

Sincerely,
