Dear Foundation Board members,

The Career Street grant application is complete and ready for your review. It should take you about 20-30 minutes to look over the attached packet. Mr. Ogden asked if I would point you in the right direction in terms of reviewing the document. Here you go:

- There is a 10-page Application and Narrative. The subsections appear when you open the document and most are one-liners. Don't let the 10 pages scare you away—it's a very quick read. I've also added **green highlighting** to assist.
- There are four pages with the budgets—three years and a total budget. You can see where the funds are intended to go. Summary: Total of \$225,000, three years at \$75,000 a year.
- Unique requirements of the Erie Community Foundation are their *Logic Model* and *Outcomes Measurement Plan*. Good stuff and worth a look.
- Lastly, there are letters of support. Again, worth a peek.

The application deadline is tomorrow, Friday, November 8.

We are asking you to give us a proxy vote by 12:00 noon on Friday. **You should email your vote to Marcia** of either:

- **Yes, submit the application, or**
- **No, do not submit the application**

When six of you approve, we'll hit the 'Submit' button on the application web page and notify you as well.

If you have any questions, please feel free to call or email me.

Thank you,

Aldo
