

PROPOSED AGENDA ITEM

---

MEETING DATE: January 15, 2014

SUBJECT: Donation of Scrap Wood

SUBMITTED BY: Joe Tarasovitch

---

DESCRIPTION:

I would like to recommend that the Erie County Technical School accept a donation from Bensur Advertising. The donated item is scrap wood from crates that are from material projects that can be recycled for construction projects. The Construction Trades lab will utilize the lumber in lab and will share it with the Facility Maintenance Technology lab. The instructors will share the material to complete hands-on activities.

RECOMMENDATION:

Motion to accept a donation from Bensur Advertising for used lumber.
