

June 12, 2014

JOC Committee:

I would like to thank you for continuing my disability leave for two years. With my continuing health issues unfortunately I am unable to return to work at this time. I appreciate the opportunity to work at Erie County Technical School for 25 years but as of June 12, 2014 I will have to resign. Thank you again for your support.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dan Lasher", with a stylized, cursive script.
