INITIATED BY: Jan Kennerknecht

DESCRIPTION: The following new textbooks are proposed by our CTE instructors for use beginning with the 2014-2015 school year.

RECOMMENDATION: Motion to approve the following student textbooks beginning 2014-2015 as listed.

<i>Auto Body Repair</i>
Auto Body Repair Technology, 2015 Edition, by James E. Duffy This textbook will be used to deliver updated industry information and will replace the 2004 textbook.
<i>Automotive Technology</i>
Modern Automotive Technology, 2014 edition, by James E. Duffy This textbook will be used to deliver the content required to cover the Pennsylvania Program of Study tasks/NATEF tasks. It replaces the 2009 version previously used by students.
<i>Tourism and Hospitality Management</i>
Hospitality and Tourism Management Program (HTMP) Year 2 Student Edition This updated textbook will be used to deliver the content required to pass the HTMP Year 2 student certification exam (Level II students). Updated Year 1 books were ordered last fall; this will complete the set.
