

Danielle Wilber – Art & Design for Business

I appreciate that you try to make us better people and better artists.

I think you are awesome and I appreciate you.

Thank you for 3 years of a fun class!

Ken Balsiger – Auto Body Repair

Mr. Balsiger has always been there for me! You have taught me a lot in the three years I have been here. So thanks again.

I feel that you are a very good teacher. You try your best to teach us despite all of the immaturity in our class. I notice this and have much respect for you and the fact that you stick around. I hope to pass the NOCTI and make all of your teaching worth it!

You changed my life!

Dave Michalak – Automotive Technologies

Thank you for always being positive and funny. You are appreciated!

Thank you for making me learn at the professional level.

Sam Steever – Automotive Technologies

You are honestly the most important and patient teacher I have ever been taught by. You give so much of your time and effort into your job and I thank you for that. I learn more from listening to you and your experience than I can pick up in a text book or video. Thank you again for being such a great teacher and friend to all of your students.

I look forward every day to coming to Tech and making the best out of every day working on cars and talking to you.

The best teacher ever.

Phylis Theuerkauf – Computer Networking

Thanks for always being there for me!

Thank you so much for always listening and helping me out with my problems. I truly appreciate everything you have done for me.

You're cool, you're a wonderful teacher.

Roach Hewitt – Computer Programming

I think you're an amazing instructor. I'm glad to have you in this building. You help many children and educate them to be successful in their future. Thank you for all you do.

Thanks for helping me through my tough times and being there for me. You have really made me into a better person, and I cannot thank you enough. One day I'll return the favor.

I think that it is so awesome that you were a part of the Special Olympics. It's also really great that you promoted it around ECTS! You're a great teacher.

Dave Yanosko – Construction Trades

You are the best. You have done so much for me. I really appreciate the help I got from you. We had some up and down days but we got through it. I appreciate the comments that were said about me. Thanks.

Thank you for teaching me all of the skills that will help me succeed after graduation.

I appreciate your teaching so much because you really prepare us for our future, not just this class.

Andrea Lucarotti – Cosmetology

Thanks for being a great and supportive teacher! You are always willing to help anyone. I admire how hard you work and the lengths you go to make sure we succeed. I also appreciate how you are always there for us whether it's personal or problems at home. I enjoy coming to school every day because of you.

I appreciate that you are patient with me when I don't understand something and when I mess up you correct me without being rude.

My teacher is amazing. She takes the time and patience to teach us everything. Ms. Lucarotti helps everyone look their best and she makes learning fun.

WCurt Oakes – Culinary Arts

Thank you so much for helping me to pursue my dreams. You push me to become a better chef. You are my role model. Thank you for everything.

You make my day! Sometimes things get difficult but I know that you try your hardest to teach us. I appreciate everything you do for me. Thank you.

Thank you for being a great teacher and making class fun.

Kelly Sanders – Culinary Arts

Everything you do is much appreciated by all the culinary students! You will not be easily forgotten from this school! Keep up the good work! Thanks!

Thanks for an awesome last year here! You are so fun and nice to talk to. I'm glad we got to finish the year off with you. I will miss you!

I love how you are so nice and love to help everyone. I really appreciate it. You are easy to talk to and treat everyone fairly. Thank you for everything you have done for me and everyone else in the lab.

Mariea Sargent – Drafting and Design

Thank you for all the opportunities you have given me and thank you for helping me these past three years. Not everyone can say they've had a teacher for three years that they've grown close to. I am truly going to miss being here every day.

You are a great teacher and made a difference in my life.

Thank you very much for helping me out these past two years. It means a lot because no other teacher has helped me out this much. I really appreciate it. I can't wait until next year and have even more fun! You are by far my favorite teacher. Thank you.

Donna Erdman – Early Childhood Education

You have been an inspiration to me. You push me to do my best and have faith in all of us. Thank you for being a great teacher and person.

You are a second mom to me. Honestly, I know I can come to you with just about anything. Thank you for that! Thanks for challenging us and doing everything you can to better us not only as ECE girls but as people. You teach so many life lessons and I appreciate that. Keep it up. You are amazing! Over the past three years, you have been my sunshine, not always visible, but you're there.

Thank you for everything you do, not only for me but everyone else too. You're the best!

Marty Burnham – Electronics

You teach me in a way that I can learn and understand.

I like the way you teach the class.

You are becoming an amazing teacher. Keep up the good work.

Bob Lyle – Electrical Engineering

Thanks for all the freedoms in the class and all the help with the work assignments.

Funny and awesome teacher.

Tracy Massello – Facilities Maintenance Technologies

Thank you for being a good teacher and teaching me things I wouldn't learn anywhere else.

You have taught me more than anyone I know and I appreciate that.

Thank you for being a great teacher and a role model to me. You have taught me a lot.

Joe Salorino – Graphic Communications

Mr. Salorino is a great and helping teacher.

I love your class and I appreciate all your time you have put into our class.

Thank you for being there. I've been through a lot throughout these years and even just you talking to me means the world. You've made me laugh on my worst days. I really appreciate you.

Sherry States – Health Assistant

I love your approachable attitude. You have made my years here well spent. You have such a great personality and willing to help your students succeed!

Thank you for always being there to help your students. You have really changed the person I am. You have made a huge impact on my future goals.

I appreciate all that you do. Your time and effort towards me and my class means a lot. I understand that you want us to succeed and it means a lot that you try so hard for us. Thank you for everything. You're the best!

Mark Cyphert – Metal Fabrication

Mr. Cyphert is my favorite teacher as well as the best and most caring teacher I ever had.

Mr. Cyphert is a funny guy who keeps the class interesting. He helps us accomplish our goals.

Thanks for helping me out.

Rob Suprynowicz – Precision Machining

You are very supportive.

Bob Craft – Tourism and Hospitality Management

Mr. Craft has taught me a lot more than tourism and hospitality. He's taught me important life lessons. I am thankful for everything you have done for me. You've made me a better person.

You are a very good teacher and I have learned a lot.

Thank you for being such a great teacher and helping me find a job.

Sandy Carr – Professional Skills

I have learned so much with your business class. I am actually going to try and build my own business. Thank you for allowing me to do SkillsUSA.

I loved your class both last year and this year. You really taught me a lot within two years. Because of you, I'm walking away from this school with a great mindset of what a leader is and how to prepare for an interview. Thank you so much. Best teacher ever.

I like your professionalism and how you care about your students and will go out of your way to help us.

Elaine Shaffer – Business Partnerships Coordinator

You are very much appreciated for all of the services you provide. Thank you for what you do.

Tammy Bright – Math Resource Coordinator

Thank you for all you do every day for everyone who needs help with math.

You honestly do so much for us! Thanks for being you! You are appreciated.

Stephanie Hamilton – Mathematics Resources

You're better than any other math teacher I've had.

You are an awesome teacher.

You're one of the best math teachers I have ever had.

Robin Grimes – Reading Resource Coordinator

I want to thank you for helping us students out and helping us improve our reading. I know since I took your class it helped me on my ACT this year. I just wanted to thank you for doing all the things you do.

Lesa Scalise – Transition Center

Thanks for all that you do – you are appreciated!

Lisa Sorenson – Admissions Coordinator

You are awesome.

Remle Moyak – Career Planning Coordinator

Thanks for always being happy and smiling at me in the hall. Thanks for helping me with my interview at the beginning of the year.

Thank you for everything. You are an amazing guidance counselor.
