DESCRIPTION:

I would like to recommend that the Erie County Technical School accept a donation from Ameridrives Inc. pending instructor inspection and acceptance. The donated items are a variety of tools such as high speed drills, reamers, and band saws. These are items that could be utilized by a few of the labs at ECTS—CNT, FMT, MTF, and PMT. If deemed worthy for curriculum support, the instructors will share the material to complete hands-on activities.

RECOMMENDATION:

Motion to accept a donation from Ameridrives Inc. for a variety of tools pending instructors' inspection.
