What is an apprenticeship?
How do I apply for an apprenticeship?
Is there a process or requirements to getting in an apprenticeship?
Is the starting wage over \$15.00/hour?
Is there a benefits package?
Can I really earn as I learn?

Are apprenticeships a paid job?
What does this education really cost?
How does this program differ from going to an area technical school?
I can earn college credits through this program?
Where is this school?

You are invited to attend the open house and tour our \$3,000,000 training facility in Erie.

Tour our welding, plumbing, HVACR, computer laboratories. Also see HVACR, back-flow/cross-contamination, medical gas, and building automation trainers.

Informational sessions outlining apprenticeships, prerequisites, how to apply, course outlines, and costs will be presented at 10:00am, 2:00pm, and 6:00pm.

Meet current apprentices and hear their "success" stories!
