

PROPOSED AGENDA ITEM

---

MEETING DATE: April 23, 2015

SUBJECT: Scholarship Money for Deserving Graduates

SUBMITTED BY: Joe Tarasovitch

---

DESCRIPTION:

I would like to request the Erie County Technical Foundation support our Senior Awards evening with a financial gift to award scholarships to outstanding seniors. The outstanding seniors will have to be attending a post-secondary school to receive the scholarship and will be chosen from the scholarship committee through an interview process. The Foundation generosity has awarded scholarships in prior years.

The scholarship committee has not finalized the names and was hoping that you would allow them to latitude to assign these awards to deserving students if supported.

RECOMMENDATION:

Motion to sponsor scholarship money that would be assigned after the ECTS scholarship committee recommends students from the interview process.
