Accounts Receivable – Career Street Program – TANF Grant

Jennifer Pontzer, Career Street Executive Director, recently informed Dr. Jackson and me that she has successfully secured the required signatures needed for the completion of the TANF requirements. Once the reports have been submitted, this receivable should be realized.

Letters of Support for Career Street EITC program renewal

Template letters of support for the EITC program were sent to all Career Street membership districts on April 1, 2015. As of today, we have received 11 completed letters of support back from the districts so the renewal packet should be able to be submitted on May 1st.

Annual Distribution Letter from the Erie Community Foundation

The annual distribution calculation from the Erie Community Foundation was received earlier this week. For this year, the Foundation may choose to receive the full calculated earnings distribution of \$7,758; to receive a partial amount up to the \$7,758; or to take no earnings distribution for the year.
