

Admissions Coordinator Board Report

April 2015

New Student Greetings

Dr. Jackson and I spent 4 different days visiting each district to meet with the new students admitted for the 2015/16 school year. The goals of these greetings are to bring the students together to reiterate the value of the acceptance to ECTS and to make them feel accepted. We gave each an ECTS gym bag, Dinner with Teacher reminder, and spent some time answering questions. Finally, the new student group at each district took a picture that included Dr. Jackson and the building principal. These pictures will be blown up and sent to the home districts for display.

Dinner with Teacher Event

The Dinner with Teacher is scheduled for Thursday, April 23 from 5:00 – 6:30. We are expecting between 600 and 650 guests. Many details go into planning this event including maintenance needs, food preparation, and secretarial support.

Website Development

It has been a pleasure play a role in developing the new ECTS website. The process is a great learning experience and will be a wonderful marketing tool.

ECTS Information

I have been invited to several schools to address 8th graders during the month of May ranging in a variety of activities (moving up days, large group sessions, small group session). The Guidance Counselors from our sending school feel there is value in reaching out to the 8th grade students. They feel the students are more informed as they enter their freshman year and there for able to make a better ECTS decision. I will also be speaking about the ECTS opportunities at the Kiwanis Club in May as they honor one of our students.

Enrollment

At this time 7 of the ECTS programs are full for next year and several are close to full. We are in the process of accepting students to Computer Networking and Tourism and Hospitality Management. We will accept applications through mid – May. After that all declines and additions will be done during the first 2 weeks of the 2015/16 school year.

Guidance

The final Guidance meeting will be held in May. We are arranging to have the meeting at Lord Corporation as the Principals and Superintendents have done earlier this year.
