

ERIE COUNTY TECHNICAL SCHOOL

PROPOSED AGENDA ITEM

DATE: August 28, 2014

SUBJECT: Electrical Engineering Instructor

CATEGORY: **Operations:** **Policy:** **Information:** **Personnel: X**

INITIATED BY: Natalie Fatica, Coordinator of Human and Quality Resources

DESCRIPTION:

Due to the resignation of Robert Lyle, Electrical Engineering Instructor, there is a vacancy for that position. First interviews have been conducted and second interviews will be scheduled but a final candidate has not been identified. The ECTS Administration requests permission to hire the most qualified candidate prior to the September board meeting and have that hire ratified at the September 25, 2014 board meeting. This will allow much less disruption for the students as they currently have sub conducting alternative lessons.

RECOMMENDATION:

Motion to allow ECTS Administration to hire the most qualified candidate for the Electrical Engineering Instructor position.
