

## AGENDA ITEM

---

MEETING DATE: June 25, 2015

SUBJECT: Donation of Auto Tech Vehicle

SUBMITTED BY: Terri Birchard

---

DESCRIPTION: Recommendation that the Erie County Technical School accept a donation from Mr. Robert Schaudecker for a vehicle for use in the Auto Technologies program.

Please see the attachment picture of the vehicle.

Mr. Dave Michalak-AUT instructor will utilize this vehicle in the program for the “hands-on” lessons.

RECOMMENDATION: Motion to accept the donation of a vehicle from Mr. Robert Schaudecker to be utilized in the Auto Technologies Lab.

Terri

These are the pictures of the vehicle. It is being donated by Robert Schlaudecker. I have personally looked at the vehicle and it is in good condition. The only cost will be transport from Findley Lake in New York (not more than \$200). Thanks for your help I hope you can get it on this month's agenda if not next time.

Dave Michalak
