February 27, 2015

Joseph Salorino
Erie County Technical School
8500 Oliver Road
Erie, PA 16509

Dear Mr. Salorino:

Michael Stinnett, PrintED Evaluation Team Leader (ETL), conducted an onsite facility inspection at Erie County Technical School on February 25, 2015. It is my pleasure to inform you Erie County Technical School was found to meet PrintED standards, and is approved to pursue accreditation in the following areas:

Introduction to Graphic Communications
Offset Press Operations/Bindery & Finishing

In order to meet the requirements of a PrintED instructor you will need to become a member of an industry-related organization, e.g. GCEA (formerly IGAEA), your local PIA Affiliate, etc.

I recommend that you print a copy of the new PrintED Manual to ensure you are able to reference the new PrintED policy and procedures. <http://www.gaerf.org/PrintED.aspx>

Mr. Stinnett will continue to serve as a mentor throughout the accreditation process. It is recommended that you maintain monthly contact with your ETL.

If at any time you have questions or concerns, do not hesitate to contact GAERF. Thank you for completing the Evaluation Team Leader survey.

Sincerely,

Eileen D. Cassidy
GAERF Director
