

High School Activity Report

October 2014

NOCTI Pre-Testing

ECTS took advantage of PDE's funding for the NOCTI pretesting. The seniors from the 18 programs completed the online written test during a scheduled day in October. The pretest will be utilized by the instructors to evaluate areas of weakness in their curriculum and for individual student improvement plans. The goal of the pretesting is to ensure that our students do the best that they can in the end-of-the year NOCTI testing. Mr. Tarasovitch would like to recognize the efforts of Mrs. Remle Moyak and Jan Kennerknecht in organizing this pretesting activity.

In-Service

On October 13th, the ECTS instructional staff began their engagement in the Protective Institute tutorial. This tutorial will assist our instructional staff in becoming aware of their areas and their responsibilities in a time of crisis.

OAC Fall Luncheon:

The fall occupational advisory committee membership luncheon was held on Monday, October 13th. This was the first of the two yearly OAC meetings between our instructors and these valued advisory members.

Each year the meetings have a specific agenda. The main items of discussion were the programs equipment, curriculum, safety and organization. Mr. Tarasovitch would like to recognize Elaine Shaffer for her continued organizational skills and supporting the OAC objectives for the day. There were 150 participants that represented 87 companies; a growth of five participants and seven companies from last fall.

PRIDE Student of the Month:

Mr. Tarasovitch has continued the ECTS Student BE-ATTITUDES in recognizing the student of the month. The September PRIDE student of the month is attached.

Advanced Training Day:

Mr. Tarasovitch appreciates the group effort to organize this year's ADVANCED TRAINING DAY; Peggy Hanson and Remle Moyak did a superb job with organizing the day from the invitations to the set-up. The post-secondary option day was held on Thursday, October 16th. This annual event provides our students the opportunity to investigate the educational options after graduation. A list of the post-secondary institutions is attached.

Fall Fest Dinner:

A more complete report will be supplied at the next meeting because the dinner occurred on Wednesday, October 22nd.
