Monthly Report to the Joint Operating Committee

April 2016 Page 1 of 1

STAFF SPOTLIGHT

Mariea Sargent

Drafting & Design Instructor

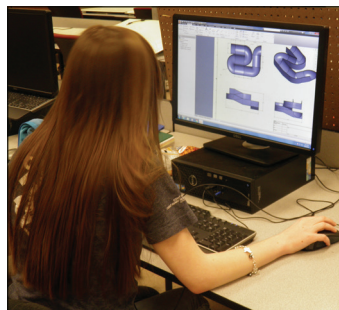

Mariea's career preparation began at Harbor Creek High School when she completed her third and final year of drafting study. She then attended Triangle Tech and graduated from its Mechanical Drafting and Design program. Mariea was hired by Suburban Tool & Die and spent the next four years designing plastic injection molds. She returned to Triangle Tech as an instructor and taught night classes and summer classes at ECTS, all while raising her children.

Mariea began her daytime career at ECTS as an instructional aide, substituted in the Drafting & Design program for three years, and is currently the full time DDE instructor. Mariea will complete her VOC II studies in May and she has made plans to pursue a baccalaureate in VOC ED.

Among her current seniors, eight students are planning to achieve engineering degrees and one is enrolled at the Kent State Architecture Honors College.

Mariea resides in North East with her husband of 30 years and her children. Her youngest child will attend Stanford University in the fall of 2016 to study aeronautics.

You can contact Mariea at msargent@ects.org.
