Good morning Mr. Tarasovitch, Mr. VonVolkenburg and Mr. Yanosko,

On behalf of the IU5 Student Programs Team, we wanted to extend a sincere thank you for the opportunity to use your facility for ConstrX. We have no doubt in our mind that this year was a success on many levels. Ultimately, we could not have had such success without the support of Dave, Del and other ECTS staff.

Del, thank you so much for all your support and extra effort to meet our unique needs. Del created an special outlet for a kiln from the 1970s! In addition, he made tables, chairs and other supplies readily available in a flash.

Dave, our team cannot put into words what you did for those 19 students (and advisors). The rapport you built with them along with their experiences will be with them forever. Dave never took a break. Anytime he was not helping a student, a thunderous voice would echo through 3 rooms, "I'm available!!" and students would come running.

We all felt that this connection was mutually beneficial and hope that it stays strong. Please do not hesitate to contact any of our team members with any questions or concerns. When the planning time approaches this winter for summer programs, we will certainly be putting ECTS back on the table for discussion!

Thank you again,

IU5 Student Programs Team
