Dear Dr. Jackson:

We have received the on-site evaluation results for your *Automobile* technician-training program at *Erie County Technical School*. The results indicate that the criteria have been met for renewal of program accreditation in *Maintenance and Light Repair*.

We commend you and your staff for maintaining your program's standards, and continuing to meet the industry's requirements. The explosion in automotive technology makes your high quality automotive training program more valuable than ever.

To acknowledge your accomplishment, we are creating a plaque for you that will recognize your school and the level of accreditation your program has been granted. You should receive this plaque within 6-8 weeks.

Congratulations!

Sincerely,

Patricia Serratore

Re: Integrated Academic Skills

Congratulations! We are pleased to inform you that your Automobile program has been selected to receive recognition for integrated academics. Enclosed please find a certificate of excellence to recognize your school for the integration of academics and technical skills within your curricula, and for the collaborative effort between your automotive and academic instructors.

Again, we applaud you for your efforts and for the excellence of your program. Please feel free to contact us if we can be of any assistance to you.
