Attn.: Mr. Joe Tarasovitch

Dear Mr. Tarasovitch, ECTS Students and Teachers:

Another record-breaking year in the books, and you blew your goal out of the water! Congratulations on raising enough money to help us provide wishes to two local children – Alyssa and Nicholas. We are so proud of ECTS for raising \$8,419 through your Walk for Wishes (\$100 received on 10/22/15; \$3,343.15 received on 10/30/15; and \$4,975.85 received on 11/5/15).

Alyssa, 8, diagnosed with liver disease, loves to do things with her family. She told her wish volunteers that she wanted to go to Disney World for her wish, with the hopes of meeting Anna and Olaf from the movie Frozen. She also loves Cinderella and Sleeping Beauty, and looks forward to snapping a photo with them and getting their autographs. Alyssa and her family are traveling to Florida this month, and we are surprising Alyssa with a very special day at the Bibbidi Bobbidi Boutique, where a Fairy Godmother-in-training will use her magic wand to transform Alyssa into her favorite princess. In addition to all of the Disney theme parks, Alyssa will visit Universal Studios, Islands of Adventure and Sea World. This will be an amazing week, where Alyssa and her family can set aside doctor's appointments and hospital stays. The only thing on their mind will be fun and adventure...thanks to your generosity.

Nicholas, 3, diagnosed with kidney disease, also wishes to go to Disney World with his family. His favorite Disney character is Mickey Mouse, and he can't wait to meet his idol in person. Nick is also looking forward to his day at Universal Studios, where he plans to have some fun with Spongebob Squarepants. We are currently working with Nick's health care partners to determine the best time for his wish trip, but we know that whenever he goes, he'll have a memorable week with his family.

Thank you all so much for your continued support of Make-A-Wish, and for helping us to *share the power of a wish®* with Alyssa and Nicholas.

Sincerely,

Jan Stork
