

Professional Advisory Council (PAC) Meeting – Friday, February 5, 2016
Submitted by Sandra K. Myers, Ed. D.

Breakfast by Transition Center Students

The Transition students annually host a breakfast for the Superintendents during their regularly scheduled PAC meeting. Students demonstrated the skills they have acquired related to the food service industry. Ms. Lesa Scalise updated the Superintendents on potential future enhancements for programming. After the breakfast, students introduced themselves and identified their sending school districts.

ECTS Schedule- Earlier Start Times

Mr. Jackson provided information for consideration of earlier start times for ECTS students. Discussion involved transportation barriers and whether it would require additional runs. Further discussion will take place after superintendents consider the effects to their individual districts.

Superintendent of Record 2016-2017

The superintendents unanimously recommended Dr. Myers as the *Superintendent of Record* for the 2016-2017 school year.

ECTS Budget- 3-year vs 5-year Averaging

Dr. Jackson presented information outlining the monetary difference for school districts using both sets of data. The Superintendents discussed the advantages/disadvantages and decided to keep the three year average.
