Dear Ms. Carr,

I am grateful for your school's generous total donation of \$347.50 and 350 pounds of food to the Second Harvest Food Bank of Northwest Pennsylvania. Your gift is already helping the families, children, seniors and other individuals who rely on the food supplied by Second Harvest to our member agencies. For every \$1 donated to Second Harvest, we are able to provide \$17 (retail value) worth of food to those in need.

Your gift makes it possible for Second Harvest to distribute food through our 298 member agencies which include food pantries, soup kitchens, shelters, Backpack Programs and other nonprofit organizations. These agencies obtain groceries from our warehouse and then provide them to individuals and families who otherwise would not have enough food on their tables. In our most recent fiscal year, Second Harvest distributed nearly 13 million pounds of grocery products which reached 167,700 individuals in northwest Pennsylvania.

We could not have done it without donors like you.

Thank you again for your gift and belief in our mission. With your donation, you are helping us to continue our work of feeding those in need. I hope you will continue to support Second Harvest.

Sincerely,

Karen S. Seggi
Executive Director
