Monthly Report to the Joint Operating Committee

May 2016 Page 1 of 1

STAFF SPOTLIGHT

Pam Lasher

High School Secretary/Registrar

The most recognizable individual at ECTS is undoubtedly our high school secretary, Pam Lasher. Pam began her career part time at the Erie County Technical School in 1990. Six years later she accepted a full time secretarial position at the former Skill Center. In 2000, Pam moved over to the high school as the Guidance Secretary & Registrar and is currently the Secretary/Registrar.

Pam has earned computer certifications from Tri-State Business Institute in Erie.

Married for 36 years, Pam and her husband have two grown children. Their daughter, Lindsey holds a master's degree in curriculum and is a teacher at Waterford Elementary. Their son, Nathan recently graduated from a post-secondary institution with a degree in economics.

Pam is the pianist and lay leader at Summit United Methodist Church in Erie. She is a faithful member and is involved regularly in church activities. Pam enjoys playing the piano and scrap booking.

You can contact Pam at plasher@ects.org.
