

AGENDA ITEM

MEETING DATE: April 28, 2017

SUBJECT: GMC $\frac{3}{4}$ ton plow truck from Union City Area School District

SUBMITTED BY: Terri Birchard

DESCRIPTION:

Erie County Technical School has been offered a 2000 GMC $\frac{3}{4}$ ton plow truck from the Union City Area School District.

This truck will be utilized in the AUT program to further enhance the “hands-on” lessons.

RECOMMENDATION:

Motion to accept the donation of a $\frac{3}{4}$ ton GMC plow truck from the Union City Area School District to be utilized in the Automotive Technologies program

GMC ¾ Ton Plow Truck

Model Year: 2000

Current Mileage: 64,030

Truck was taken to local auto shop for annual inspection. The truck will not pass inspection due to the following:

- Frame is cracked
- Previous frame repairs are also cracked
- Frame is also bent/twisted
- Frame cross members are rusted through
- Front sway-bar bushings need replaced
- Driveline u-joints need replaced
- Rear bumper needs replaced
- Drivers seat worn through to the point that the vehicle will not pass inspection
- Three of the four cab mounts bad/rusted out
- Rust holes in floor of cab
- Two tires need replaced

This truck is 16 years old and has plowed snow every year. The truck is also used year-round for many different duties. The Mechanic stated that the current value of the truck is \$1000 - \$1500 for parts only.
