Dear Mr. Tarasovitch, ECTS Students and Teachers:

On behalf of Make-A-Wish Greater Pennsylvania and West Virginia, I want to thank you for your generous donation of \$4,713.32, received on November 1, 2016, which reflects proceeds from your Walk for Wishes event. We will be pleased to recognize your gift on our web site and in our annual report.

At Make-A-Wish, it is our goal to reach every child living with a life-threatening medical condition and help them to see beyond their illness and focus on better days. We do this by offering them a chance to use their imagination to express their heartfelt wish, and then do everything we can to make their dream a reality.

Your donation will be applied to the wish-granting expenses of Allison, a beautiful six-year-old girl diagnosed with a serious seizure condition. To help her forget about the treatments, the hospitals, and all the doctor appointments, Allison loves to spend time with her family and watch Disney movies, especially Frozen. For Allison, the princesses are a pleasant distraction from the challenges she faces. When given the opportunity, Allison chose a trip to the Walt Disney World Resort as her wish so she could meet the characters she loves.

Allison and her family traveled to Orlando, Florida, for Allison's dream trip. Allison was in charge of the activities and she had many different events to choose from, including days at Disney's theme parks, as well as Universal Studios and Sea World. One of the highlights of her time there was spending a day meeting her favorite princess, Elsa from Frozen. After that brief meeting, Allison now considers Elsa a good friend.

Thank you all so much for your continued support of Make-A-Wish, and for helping us to *share the power of a wish®* with Allison.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jan".
