Dear Joe and Sam:

Thank you for your recent participation with Family Services Of NWPA program and WJET, Hearts Without Homes. We are honored that you value the commitment we have to our community and we also appreciate your confidence in our agency and the services we are providing. "Blake" had a very memorable and educational experience. He greatly appreciated the time and effort you gave to him and helping him in his journey to find his forever family.

Your support has helped us work towards fulfilling our mission which is: To strengthen family life by providing counseling, education, and advocacy.
