Curriculum Development

At the end-of-the year meeting held June 9th, we recognized programs that met or exceeded the state expectations for students' NOCTI scores. Programs that achieved the goal of 80% or higher with Advanced *and* Competent scores received a **Commended Program** certificate:

- Automotive Technology
- Construction Trades
- Culinary Arts
- Electrical Engineering
- Facility Maintenance

Programs that achieved the goal of 80% or higher with their Advanced scores were given a **Distinguished Program** certificate:

- Art & Design for Business
- Computer Programming
- Cosmetology
- Diversified Occupations
- Early Childhood Education
- Graphic Communications
- Health Assistant
- Metal Fabrication
- Precision Machining

Four programs have maintained national accreditation status. These programs have proven that they meet national skill standards, have undergone a rigorous self-study with industry input and have passed an on-site evaluation completed by a representative of the national organization.

- Automotive Technology, NATEF Accredited
- Culinary Arts, ACFEF Accredited
- Early Childhood Education, NAEYC Accredited
- Graphic Communications, PrintED Accredited

Summer Curriculum Work - Twenty-three instructors participated in our summer curriculum development work held from June 12-22nd. Projects included updating of Duty/Task Lists, Scope and Sequence Charts, Program Guides and Syllabi. All programs now reflect the change of hours for the new math course and all programs are using a toggling schedule between Level II and Level III curriculum.

Special Education

End of the Year Report Cards - Sandy and Pat sent out the fourth quarter grades, for all students with Individualized Education Plans (IEPs) and Section 504 Plans, to our home schools' special education staff and guidance counselors. The fourth quarter percent of success for our student with disabilities is 93% and 98% success rate for the complete school year.

Instructional Aide Evaluations- Pat completed all ten of the instructional aides' end-of -year evaluations. All of the instructional aides have shown a variety of professional growth in this school year.

Enrollment Update- Currently of the 302 newly admitted ECTS students, 85 students have been identified as students with some type of disability. Students with disabilities make up 28% of our new student population.
