Dear Foundation Representatives:

I sincerely thank you for sending Mrs. Carr and me to Louisville, Kentucky, for the SkillsUSA National Championships in June. I was honored to represent the Erie County Technical School and the Commonwealth of Pennsylvania as the Health Occupations Professional Portfolio competitor. The competition gave me the opportunity to display my skills and portfolio. I also had the pleasure of meeting other CTE students from around the country.

This opportunity was a once-in-a-lifetime experience for me. The places that I went to and the people that I met, I will never forget. Thank you so much for providing the funding that allowed me to participate in this conference. I appreciate the opportunity to grow as a technical school student and SkillsUSA competitor. I hope that I can use this experience to enrich our school's SkillsUSA program.

Sincerely,
