

Cosmetology Board Approval Request For 2016-2017 School Year

Community Service Events

1) Spa Nights

My plan is to do 1 spa night a quarter. These were really amazing last year in helping to build my relationship with the parents. It provided them a chance to be involved and get services done by their student after hours while the students gained a true salon knowledge of having back to back clients and managing their own schedule.

I plan on saving the money to be able to completely offset the cost on a local field trip this year (pay for all student's meals) and the extra funds will go toward our big field trip in the school year of 2018-2019. This will take a lot of pressure off the year of and hopefully gain enough to pay for all the kids meals and extra's (thinking of doing a day at the museum or aquarium) to not have a burden on any of the students or their families.

Asking for approval on the following dates:

Tuesday, October 18th

Tuesday, December 13th
