STAFF SPOTLIGHT

Jane Boyd

Student Instructional Aide

At the Erie County Technical School we are blessed to have on our instructional aide staff the talented and versatile Jane Boyd. Jane began her career at ECTS in 2009 after 14 years in the Warren County School District. She holds a degree in Human Services and is well-regarded by staff and students. Jane enjoys helping others and is quoted as saying, “my career is very rewarding.”

Jane resides in Summit Township, has been married to her husband, Steve Boyd for 35 years, and is the proud parent of two grown children and dogs Maddie and Ella. Her son, Eric resides in Las Vegas and her daughter Leann lives in San Francisco with her husband, Troy.

With a love for the outdoors, Jane looks forward to traveling and family vacations, especially to the vast open spaces of the western United States. As she puts it, “I enjoy the beautiful turquoise skies, breathtaking scenery, and endless miles of hiking.” Jane says she had a Zen moment hiking up Cathedral Rock in Sedona, Arizona while on vacation with her husband and son.

Always with her binoculars in hand, Jane is an avid “birder” and is a member of the national and local Audubon Society. Jane also gravitates to museums to learn about the history, people, and cultures of other interesting places.

You can contact Jane at jboyd@ects.org.
